

SPEAK UP!

It is essential to know the English language especially in today's world for any professional in any field. SPEAK UP will help you to re-learn English, understand it and use it to your advantage.

The 80- hour course will concentrate on improving your grammar, vocabulary, sentence making abilities, general fluency in English and essential soft skills.

The interactive and entertaining classes will help the participant to:

1. Relearn grammar and to use it to speak in English fluently.
2. Improve and expand general, corporate and insurance vocabulary.
3. Fearlessly give speeches and presentations to an audience.
4. Improve on essential professional skills and interacting skills like e-mailing, setting up meetings, etc.

Classes will be handled by Ms. Priya Gopinath, a sociology major from Ferguson college, Pune and Mr. Manoj Sharath, a quizzer, debater and toastmaster.

A special session on Insurance English to be handled by
Mr.R.Gopinath
